## Welcome to the Texas A&M Aggie Family

Our **RGV Aggie Moms' Club** is one of 108 clubs from across the state of Texas, including five from outside the state. All clubs are members of the Federation of Texas A&M University Mothers' Club. The purpose of the clubs is to contribute to the comfort and welfare of Texas A&M students and to cooperate with Texas A&M University in maintaining a high standard of moral conduct and intellectual attainment.

You and your family are invited to join our Club this year and know that you and your student will benefit! We've been called a mothers' support group for young adults in higher education and together we work to ensure that you and your student have a successful year.

Funds raised through our hand-crafted stepping stones sales, raffles and other events go towards current Aggie students from the Rio Grande Valley.

Join us and make great friendships across the Valley that will last long after your Aggie graduates.
